Sub – Clarification on information provided in Form MGT-7 for FY 2024-25.

Dear Sir/Madam,

With reference to the details included and forming part of the Annual Return in E-Form MGT-7 for FY 2024-25, we wish to clarify as under –

1) Point No IV (iii) – Details of share transfer

There was no transfer of shares during the year. However there were transmission, transposition, Name deletion, Name change and request for duplicate shares. Letter of confirmation were issued by RTA in lieu of security certificates in that instances. There is no option for mentioning details of the same in E-form MGT-7. Therefore, we are providing the details as Annexure – 1 to this letter.

2) Point No VI (A) Shareholding Pattern – Total number of shareholders (Promoters)

Total number of promoters having equity shares in the company are 13 and there are 12 promoters who are not having any equity shares in the company. As in MGT-7 it is mentioned as “Total number of shareholders” we have considered 13 promoters who are having equity shares in the company.

3) Point No VI (B) Shareholding Pattern – Breakup of total number of shareholders (Promoters + Other than promoters)

As informed by the Company’s RTA, gender details have been included wherever provided by the Depositories in the Benpos data. Further, gender information for security holders holding shares in physical mode is not available in the Company’s records or database. Accordingly, the number of male and female members has been mentioned based on the data provided by the RTA. Since details relating to transgender holders are not available with the Company, a zero value has been entered under that category. As several gender fields in the excel sheet provided by the RTA are incomplete, the difference between the total number of members and the number of male and female members has been shown under the “Other than individual” column.

4) Point VI Total number of shareholders (other than Promoters)

As informed by the RTA, the total number of shareholders as per the Register of Members of The Baroda Rayon Corporation Limited as on March 31, 2025, is **78,227**. However, for the purpose of reporting under Point VI – Total number of shareholders (other than Promoters), the applicable number is **78,852**.

The difference arises because some shareholders hold shares in multiple folios/demat accounts. Consequently, the Shareholding Pattern (SHP) reflects data consolidated on a PAN-level basis. However, for the purpose of field No. VI of Form MGT-7, each folio/demat account is counted separately, resulting in a higher number of shareholders.

5) Details of Foreign institutional investors' (FIIs) holding shares of the company

i) As informed by the Registrar and Transfer Agent (RTA), the date of incorporation details are not provided by the depositories in the Benpos data. However, based on publicly available information, it is noted that Morgan Stanley Asset Management Inc. A/C, whose country of origin is the United States of America (USA) and whose custodian is The Hongkong and Shanghai Banking Corporation Limited, C/o Investment Department, 52/60 M.G. Road, Mumbai – 400001, India, was incorporated on **September 19, 1980**. There are 250 equity shares (representing 0.00%) registered under one folio in the company's records.

ii) As informed by the RTA, the date of incorporation details are not provided by the depositories in the Benpos data. However, based on publicly available information, it is noted that Morgan Stanley Asset Management Inc., a company incorporated in the United States of America (USA) and having its custodian as Stock Holding Corporation of India Ltd., 224, Mittal Court, 'B' Wing, 2nd Floor, Nariman Point, Mumbai – 400021, India, was incorporated on **September 19, 1980**. There are 185 equity shares (representing 0.00%) registered under one folio in the company's records.
